

Greetings!

The Seneca Siberian Husky Club welcomes your interest in our breed. The club was founded in 1972 by a small, but dedicated group of Siberian Husky fanciers. Its main purpose continues to be protecting the natural qualities and working nature of the purebred Siberian Husky. The standard of excellence recognized by the club is the American Kennel Club's standard for the breed.

We currently have about 40 members, some of whom have been in Siberians for over 25 years. Many of our members are involved in sledding, showing their Siberians at AKC dog shows, obedience and agility trials.

The club holds two Seneca Siberian Husky Club sponsored events a year. There is a sled dog race in January or February and our annual all-Siberian dog show in Batavia, New York. Siberian Husky enthusiasts throughout the Northeast look forward to our specialty show each year. We encourage all our members to participate and to have fun. We also volunteer for speaking engagements to educate the public about Siberian Huskies.

A newsletter called the Lead and Line is published bi-monthly in order to keep all members informed of our club's activities. News items of general interest to Siberian Husky owners are also included in the newsletter.

To become a member you will need to attend two club meetings, fill out an application for membership and read and sign the Code of Ethics. There are different categories of membership including individual and family. Supporting membership is a non-voting membership open to any interested party. The minimal membership fee covers the cost of our mailings and our annual insurance policy. All members will receive our newsletter and information on club-sponsored activities.

Our meetings are held the second Saturday of every month at Ralph LaRose's house at 2125 Wheatland Center Road in Scottsville, New York. For directions and more information, go to our website at www.senecasiberianhuskyclub.com.

Thank you for your interest in our club!

Sincerely,

Carol A. Marcy
